

Starship Food Delivery Robots

Now taking deliveries to COHS building

Download now!

Robots are now delivering food and snacks to your friends on campus. They are contactless, low cost, fast and friendly!

Experience the future of food delivery with 6 easy steps.

1. Download the app.
2. Select UCI as the campus.
3. Select your delivery point on the map view.
4. Order your food from one of the available locations.
5. App will notify you when the Zotbot has arrived at your chosen meeting point.
6. Unlock Zotbot using app and enjoy your food!
